

RAUVISIO brillant SR

A BRIGHTER LAYER

BY CATALYSTE + REHAU

Benefits

- Can be processed with woodworking tools
- Highly scratch resistant
- Chemical resistant
- Soft touch, anti-fingerprint finish on matt surfaces
- Easy to clean
- Can be marked with whiteboard markers (high-gloss surfaces) or chalk (matt surfaces)
- Colour and UV-stable
- Anti microbial

Certificates

PEFC certificate

Chain-of-Custody-Standard of PEFC for our products made is approved

Sustainability guaranteed

Our RAU/ISO brilliant SR products fulfil PEFC criteria for a sustainable supply chain for forest products.

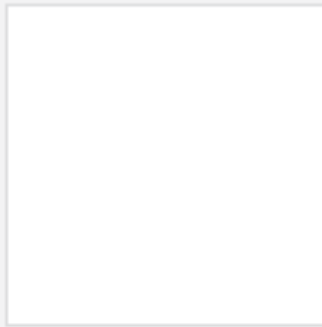

- Ensuring and marketing sustainable forest management
- Support of responsible forest management
- Active contribution towards preserving forest, counteracting climate change
- Responsible handling of resources
- Development of new environmentally sensitive markets
- Control over the origin of material sources
- The certification proves the sustainable approach of our company

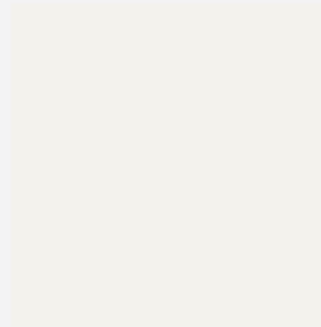

A water-like reflectivity
that intrigues, RAUVISIO
brilliant SR laminates feature
hues that illuminate with
fullness and depth.

Prepare to submerge
yourself in memories of
colourful landscapes as
these gorgeous, scratch-
resistant acrylic laminates
bring tranquility and
luminosity into your spaces.
